Berlin Turnpike Lager *German Pilsner 5% ABV, 33 IBU, 3.2 SRM* Probably the most basic, yet complex, beer we brew. A single malt (German pilsner malt) and German Hallertauer Hersbrucker hops create this light gold, crisp lager.

Catoctin Ale *English Pale Ale 5.5% ABV, 38 IBU, 14 SRM* More amber and less “hoppy” than its American counterpart, plenty of crystal malts, and an English yeast strain create a well balanced, slightly dry, finish for this English style pale. *Hops: Northern Brewer, Northdown, East Kent Goldings*

Citron Green Tea Pale Ale *6.3% ABV, 39 IBU, 4 SRM* An American Pale Ale brewed with Citron Green Tea (a green tea with citrus peel) from Lansdowne’s Brew LoCo.

Commonwealth *Kölsch-style Ale 5% ABV, 22 IBU, 3.9 SRM* A very light golden ale originating from Cologne, Germany. Very light hop flavor, considered the “lager of ales” because it is aged at cold temperatures much like a lager. *Hops: Hallertauer, Saaz*

Corktoberfest *Oktoberfest / Märzen 5.5% ABV, 24 IBU, 7 SRM* Traditional fall German fest beer with a deep malt character and a dry finish. Available: late September *Hops: Hallertauer*

Corky’s Irish Red *Irish Red Ale 5.5% ABV, 20 IBU, 14 SRM* - A malty ale brewed with crystal malts and a hint of roasted barley. U.K. Northdown hops give this ale a bit of the old country.

Dutchman’s Creek *German Wheat / Hefeweizen 4.5% ABV, 12 IBU, 3 SRM* A traditional German Hefeweizen, light in color, made from a 50/50 split of wheat and pilsner, with a yeast strain that lends a mild flavor of banana and clove. *Hops: Hallertauer*

Heroes’ Stout *American Stout 7.5% ABV, 60 IBU, 40 SRM* American Stout with ample body from oatmeal and hop bitterness from Warrior and Chinook hops.

Hops the Bunny (RIP) *India Pale Ale 6.0% ABV, 67 IBU, 13 SRM*

“Hops” was a little bunny that set up home under a neighbor’s shed, and in various spots outside the old barn brewery. We named our Amber American IPA in honor of Hops. *Hops: Columbus, Cascade, Zythos*

IPL *India Pale Lager* 4.7% ABV, 68 IBU, 6 SRM - Hopped like an India Pale Ale, but fermented at colder temperatures and aged as a lager. Has a strong citrus hop flavor. *Hops: Galena, Hallertauer, Falconer's Flight*

John Champe *English Style Barley Wine* 9.8% ABV, 60 IBU, 9 SRM John Champe, born in Aldie, VA was commissioned by George Washington to capture Benedict Arnold yet only George Washington knew of his double-agent status. If captured by the Patriots, he would be punished as a traitor. If discovered by the British, then death would be certain. This beer is an American brewer's homage to the patriotism and bravery of this fine Virginian pretending to be British. Availability: winter to early spring *Hops: Target, Northdown East Kent Golding, Fuggle.*

LoCo *American Style India Pale Ale* 7.2% ABV, 68 IBU, 6 SRM - West coast style IPA, medium bodied with lots of America hop flavor. *Hops: Summit, Warrior, Cascade, Centennial, Falconer's Flight*

Newtown Alt *Düsseldorf Altbier* 5.5% ABV, 36 IBU, 13 SRM

A clean, crisp brown ale with just a hint of chocolate flavor. *Alt* is German for "old" and we named the beer "Newtown" after the old name for nearby Lovettsville, aka "The German Settlement." *Hops: Hallertauer*

Oatlands *Oatmeal Ginger Stout* 7% ABV, 33.6 IBU, 39 SRM A stout with more body from the flaked oatmeal, and the added flavor of fresh ginger, cinnamon and nutmeg. *Hops: Target, East Kent Golding*

OnceYouGo *Black India Pale Ale* 8% ABV, 61 IBU, 37 SRM

Paeonian Porter *Vanilla-Chocolate Porter* 6% ABV, 31 IBU, 40.8 SRM - Compared to a stout, the porter has less roasted notes due to a lack of roasted barley.
